

MEDITERRANEAN INTERIOR DESIGN SET IN RICHARD MEIER'S PURIST ARCHITECTURE
**MATTEO THUN & PARTNERS CONCEIVED THE INTERIOR DESIGN
OF THE NEW FALKENSTEINER HOTEL & SPA JESOLO**

COOPERATION WITH
RICHARD MEIER

Matteo Thun & Partners conceived the interior design of the new Falkensteiner Hotel & Spa Jesolo. Just a stone's throw from Venice, the new 5 star hotel is set in the purist architecture of Richard Meier.

MEDITERRANEAN STYLE
IN KEEPING WITH THE
SURROUNDING NATURE

The interior design features a Mediterranean flair, flooded with natural light entering the wide glazed facade. Inspired by the surrounding nature, the main colours are light blue, turquoise, beige and sandy recalling the sky, the beach and the sea just outside the window.

GEOGRAPHIC AND STYLISTIC
PROXIMITY TO VENICE

Also the proximity of Venice finds its expression in the interior design of the new hotel. The reception- and bar counter as well as bar tables are made out of briccole wood, recovered directly from Venice' canals. The slightly moved lagoon's surface is reinterpreted in the wall hangings made out of Silverstone metal discs - a tribute to Paco Rabanne and the seventies.
