MATTEO THUN AND ANTONIO RODRIGUEZ DESIGN

"ALLAPERTO" FOR ETHIMO

A DYNAMIC, VERSATILE OUTDOOR COLLECTION
DESIGNED FOR HOSPITALITY

Keep the bones - change the dress:
by changing the outfits Allaperto's body transforms.
It dresses up for four different worlds and chooses particular accessories.
One single shape, one structure appearing in different looks.

URBAN - The classic look

In the mood for the city. Discreet and low-key Urban's neutral nature, fulfills the needs of an urbanite. It blends in quietly and fits to different kinds of modern metropolitan scenes. Cushions with contrasting piping's create an individual touch.

Details: Lounge chair, small dining armchair and adjustable sun lounger.
Metal structure and a timeless cast.

Partly covered with stained teakwood URBAN fits for open-air hotel- and cocktail settings.
A classic technical material was chosen to cover the seating. Cushions can be added.

MOUNTAIN - Alpine cosiness

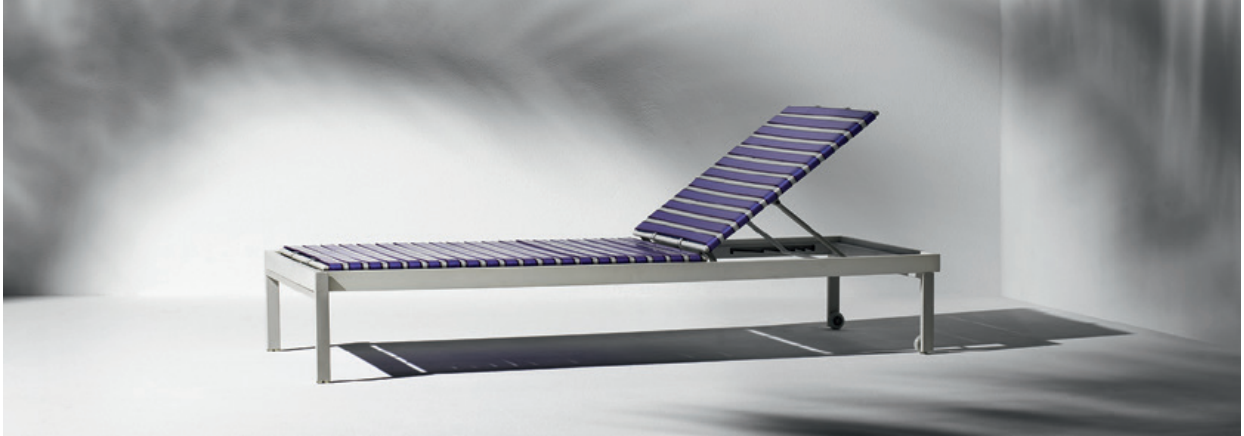

Alpine scenery, snow-capped wood lands, sunlit terraces. Tailored for high-altitude settings MOUNTAIN embraces nature. It echoes its beauty and elements: from natural teak wood, to pure wool and cashmere.

Details: Lounge chair, small dining armchair and adjustable sun lounger.
Metal structure meets nature.

Partly covered with stained teakwood MOUNTAIN presents a bark netted seating topped with different paddings. A luxurious sleeping bag version padded with either shearling or pile cares for cosiness. The zipper makes it easy to slip in, a Velcro simplifies its fixing. To set a sign on the terrace the lounge chair, dining chair and the adjustable sunbed are covered in woven *Etwick* fibre or technical fabric with a typical *tartan* alpine pattern.

GRAND HOTEL - The lux version

Long Island, at ease. Elegant and refined, with its white lacquered wood and hand-woven seating, GRAND HOTEL masters classical luxury at its best.

Details: Lounge chair, small dining armchair and adjustable sun lounger.
Metal structure and white lacquered wood. Seating in Etwick fibre of two-tone plastic straps.
Waterproof fabric cushions.

White laquered wood for parts of the corpus and a classic white, hand-woven and recyclable synthetic seating serves as elegant base for trimmed timeless chair pads, cushions and rolls. Generous sunbeds come with canopies.
